

Direction to ECE Reserved Parking Space:

Once on University Drive, please turn right onto Calhoun Road. Then, take Calhoun Road until it is about to dead-end, take a left at the stop sign. You will pass Calhoun Lofts on your left. You will go through two stop signs and around a curve to the right. After this curve, take your first left into the parking lot and another left toward ECE guest spots. Please park in spot 7 or 8 (depending which one is reserved for you). ECE buildings are directly behind this. The path to the parking is highlighted (red P) and there is a square around Engineering Bldgs 1 (579) and 2 (581).
